All,

If possible, please review chapter 3 tomorrow for the meeting. I would like for this to be the final meeting that focuses on this chapter.

I know that Jane Ellen will not be able to attend. But I have asked her to review the chapter at her convenience in the coming days.

I am relinquishing control of the document.

Speak with you tomorrow at 10,
Glenn

Subject: Figures 3-3 & 3-4

In line with the issue I raised the other day about the distinction between key events and key dose-additive events, I suggest a slight revision to figures 3-3 & 3-4, as in a color change to the dose-additive boxes to match figure 3-2.
